EXPERIENCE

- *Sultan Home Publicity & Advertising co.*

Tubi, Bahrain

Date : Dec 2018 till Date

Job title: HR Manager.

Reporting to: CEO, Founder.

Duties: below are some points:

HR and Admin Works:

- 1- Prepare final settlements, leave settlements.
- 2- Trace and update absence and update it monthly within our internal system that to help in may operations such as accurate payroll processing.
- 3- To facilitate / support the development of the Team members and delegate some various works to them so I can concentrate on other high priorities.
- 4- Source candidates “internally and then externally” for all various job openings.
- 5- Choose the best advertising methods for our new openings such as “News papers” and publish such announcement.
- 6- Collect CV’s and sort them out to three categories: Active, in active and possible.
- 7- Created a database for the candidates and updating it whenever we need to, and share this database with the company’s directors.

- 8- Conduct the employment meetings and shortlist the active best candidates and recommend to line managers and top management.
- 9- Liaise with line manager step by step in whatever related to HR work.
- 10- Prepare offer letters, contracts, and book appointments for CPR updating.
- 11- Prepare GOSI forms.
- 12- Liaise with Ministry of Labor for whatever related to HR works such as: Sourcing candidates, Bahrainis Employment confirmations “which we need to register the Bahrainis in GOSI”.
- 13- Handling the LMRA’s EMS “Expat management system” from A to Z, here is some works that I have done:
 - Issuing new visas.
 - Visas renewal.
 - Visas cancellation.
 - Applying for increasing the ceiling.
 - Applying for local transfer.
 - Applying for temporary work permits.
 - Applying for responsible person inclusion, deletion, updates.
 - Paying the fees of all transactions and print visas.
 - Trace all issues that cause offences “such as paying the electricity bills” so I track it, alert for it and hence prevent any possibility of having your EMS operations and transactions paralyzed or at least delayed.
- 14- Look after the hiring of subcontracting based manpower, approach subcontractors, verify quality and experience of their manpower, compare rates, and approach management for approval.
- 15- Prepare all official subcontracting contracts “based on what the company needs, and for protection purposes”
- 16- Tracking the subcontracting manpower flow in our company and record all their details and have it updated in our internal system “including the date of join, experience, trainings, personal details “with copies of ID”’s such as passport, residence permits and CPR’s, so that to have a systematic reminder helps to identify who should not miss renewing his Visa, CPR, RP. And the same for our sponsored employees.
- 17- Liaise with accounting for the advance payment for the cases of new joiners.
- 18- Issue various personal documents such as: certificate of employment.
- 19- Issue warning letters.
