(2008-2010)

B.Sc. Agriculture
Major: Horticulture

Bahauddin Zakariya University, Multan, Pakistan
(2004-2008)

OVERVIEW

With 14 years of experience in landscape and irrigation, I have managed diverse projects, from design to execution, and ensured long-term maintenance of outdoor spaces. My expertise includes installing and maintaining irrigation systems, selecting sustainable plants, and overseeing hardscape construction. I've led teams in maintaining parks, commercial properties, and residential gardens, ensuring aesthetic appeal and functionality. Skilled in diagnosing irrigation issues, optimizing water usage, and implementing eco-friendly practices, I've delivered cost-effective solutions while meeting client expectations. My project management skills include budgeting, scheduling, and coordinating with stakeholders. Passionate about creating thriving green spaces, I bring a blend of technical knowledge, creativity, and leadership to every project.
