

Dear Sir/Madam,

I am qualified Health, Safety and Environmental Advisor fluent in English with over 8 years practical experience and knowledge. Proven ability to assist in providing businesses with a passionate approach to identifying risk and safety control measures that are cost effective to ensure best practice, legal compliance and maintaining business integrity. My diligence, keenness to learn, ability to work in groups and adapt to different environments are my strengths. I have demonstrated my professionalism, reliability and initiative, developed systems-procedures and streamlined operations effectively. I completed my Masters of Science in Computer Science in the Year 2000, I have done varied courses from NEBOSH ,Institute of Occupational Safety and Health Managing Safely (IOSH),Level 3 Food safety and Hygiene,PASMA mobile access tower, First Aid at Work - Aid Training & Operations Ltd UK, Working at Height (KBR Internal), Health and Safety Supervisor (KBR Internal), Fire Extinguisher & Fire Warden Training - ATCO Frontech Europe Fire Crash Rescue Services, First Aid at Work (KBR Internal),Practical Manual Handling Training (KBR Internal),Control of Substances Harmful to Health (KBR Internal).

I feel confident that a frank, in-person discussion will determine if a compatible environment exists for a future relationship. I would welcome this opportunity and assure you that this would be time well spent. In advance, I thank you for your consideration and look forward to meeting with you.

Yours Faithfully,

Haji Mohamed
