---

To,  
The Dean  
College of Engineering

I am writing in regard to the **Faculty Engineering Department Chair** Position. I am interested and excited about the position at **Bahrain Universities/Research Center/ Industries**. Because it offers an ideal opportunity to expand my knowledge of the consulting profession I have Eleven years of experience in academic and institutional research and have the skills required to excel in this position. **I have published Paper in Elsevier, IEEE, Walter de Gruyter & other SCI journal. Also One Book & Two Book Chapter published.** I am confident in my abilities to perform the duties of **Associate Professor** with your college.

My experience personality and professionalism make me an ideal candidate for your **Assistant Professor/Researcher/ Web Developer** position. Please see my resume for additional information on my experience. I can be reached anytime via email at maroofsiddiqui@yahoo.com & my cell phone, +973-35484568

I look forward to hearing from you and thank you for your consideration.

Sincerely,

Mohd. Maroof Siddiqui, Ph.D.  
Assistant Professor, Mechatronics Engineering,  
AMA International University, Bahrain  
(MISECE, AMIETE, MISTE, IMIDES & MIAE)
