

Dear Sir,

Greetings for the day!!!

I Would like to Introduce myself Salahuddeen an architectural draftsman having a total experience of 9+ yrs. in both Civil and Interiors projects currently working as a Senior draftsman with **Trust Traders SPC**. in Nuwaidrat, Bahrain.

I have a good experience in Pre construction & Post construction Drafting and design works including Preparing Different type of drawings, details, Bill of Quantities, Preparing Tender, Site visits, Client / Consultant Coordination, Initial site visit for understanding the scope of works, Negotiation, Checking of GFC drawings, Vendor management etc.

And I have a wide experience in Commercial, Residential and Industrial sectors such as Exterior works, Interior fit outs, Residential villa Interiors, High end restaurant fit outs, and having good knowledge in executing Turnkey projects with one of my previous employer which helps me in identifying the hidden costs of the project at the initial stage and the details of projects involved were briefed in my CV attached.

I would welcome the opportunity to further enhance my knowledge in this field within larger organization. I thoroughly enjoy the challenges involved and I'm sure that working for your firm which is highly regarded, will be a fantastic opportunity for me.

I will be happy to provide you reference when required.

I do hope that you will consider me for this position Sr. draftsman and I'm available for Interview at any time suitable for you and I hope to hear back from you!!
