Dear Sir/Madam:

If your organization is seeking a **skilled and experienced Cloud IT Professional**, I would appreciate the opportunity to discuss your needs and objectives with you. The accomplishments noted within the accompanying resume will illustrate the value and vision that I can bring to your organization.

For the last several years, I have worked in various technology areas and project implementations. I have been actively involved in the core network design, expansion and planning areas, which have also resulted in cost savings for the company. I possess a deep understanding of how to utilize technology in order to deliver enterprise solutions that meet requirements of a business.

In review of your company's objectives and possible openings, I believe that my experience may be in perfect line with your current needs. Furthermore, your organization lookout for a dependable, result-oriented professional with a solid performance track, may match the value that my **technical experience and management strength** can contribute.

I can be reached at of the above contacts and look forward to hearing from you.

Sincerely yours,

Tanveer Mehmood
