## EXPERIENCE

### Inspection Engineer

#### TÜV SÜD

12/2021 - 8/2024 Bahrain, Hidd

- As an inspection engineer at TUV SUD, I have had the opportunity to work on projects that align closely with your vision of technological advancement and safety. My role has involved rigorous scrutiny and assessment of various engineering systems to ensure compliance with international safety standards.
- Conducting thorough inspections of industrial equipment to ensure compliance with international safety standards.
- Industrial equipment includes all kinds of lifting equipment and lifting accessories.
- My role also included inspecting all kinds of earth moving vehicles such as dozers, loaders, excavators and mobile cranes and much more.
- Collaborating with cross-functional teams to identify and mitigate potential risks.
- Utilizing advanced diagnostic tools to perform non-destructive testing and evaluate the integrity of materials and structures.

### Mechanical Engineering Intern

#### APM Terminals

2020 - 2020 Bahrain, Hidd

- Worked with the Maintenance department of the company, working on all kinds of port machinery and cranes.

### Mechanical Engineering Intern

#### Bahrain Pharma

2019 - 2019 Bahrain, Hidd

- Maintained & operated pharmaceutical packaging & filling machinery.

## EDUCATION

### Bachelor of Science in Mechanical Engineering

#### University of Bahrain

01/2015 - 06/2020 Isa Town

- Graduated in June of 2020 with a CGPA of 2.97 out of 4 (ABET & NAAB Accreditation)

### HSSC and SSC in Pre-Engineering Under Federal Board of Intermediate and Secondary School Certificate

#### Pakistan School Bahrain

01/2011 - 01/2015 Bahrain

- Graduated in 2015
- HSSC and SSC in Pre-Engineering Under Federal Board of Intermediate and Secondary Education (FBISE)

## SUMMARY

A Mechanical Engineering graduate who's dedicated, a quick learner and an autonomous worker who can also work with a group. Committed to learning and enhancing my knowledge and capabilities by bringing my strong sense of dedication, motivation, and responsibility to any organization, and to utilize my skills and qualifications obtained through the University of Bahrain.

## TRAINING / COURSES

### LEEA 1 Foundation Course (Done In 2023)

The Lifting Equipment Engineers Association

### LEEA 2 Lifting Accessories Diploma (Done In 2025)

The Lifting Equipment Engineers Association

### LEEA 8 Mobile Crane Diploma (Done In 2024)

The Lifting Equipment Engineers Association

### MS Excel Basic Course (Done in 2021)

Certified by Corporate Finance institute (CFI)

### Autodesk Certified User: AutoCAD (Done in 2025)

Certified by Autodesk
