

Dear Sir/Madam,

Kindly find the attached CV and consider for the subject opportunity in your reputed organization. I believe I am the right fit for this job as I have the pre-requisite skills and expertise, summarized below:

I am a target-oriented and self-motivated professional with 11 years of quality experience in multiple fields of telecommunication and security systems. Seeking to polish my technical knowledge and managerial skills in current challenging position. Looking for opportunities to enhance my technical knowledge, leadership and inter-personal skills. I have experience on project planning & design, pre sales, fieldwork, testing and troubleshooting activities. I also possess skills in project management, project QC & acceptance, telecommunication equipment evaluation and quality assurance.

I truly believe that my professional qualification coupled with my experience can do justice to being a part of your esteemed organization. The accompanying resume should give you an idea about my achievements and potential for making a significant contribution to your reputed company.

I will look forward to a generous consideration and positive response from your side.

Kind Regards,
Eng. Nasir Hakeem
