**Assistant Project Manager**

**Project Management Professional (PMP) & M.Tech in Civil Engineering** with specialization of **Construction Management. Over 11 Years of Civil Engineering Professional Experience with National & Multi-National Construction Contractors/Consultancies.** (Shopping Malls, Building Construction, High Rise Building, Townships, Infrastructure, Airport, etc.)

---

Dear Sir/Madam,

I am Parag Joshi, I am Post Graduate Civil Engineering Professional having experience in Planning, Quantity Surveying, Estimating, Cost Budgeting, Project Control for various types of construction projects (Townships, Infrastructure, High Rise Buildings, Commercial Complex, School Buildings, Warehouse Projects, Heavy Equipment Workshops, Showroom Building, Villas etc.) from its Initiation to Closing in India & Bahrain. I have completed professional training on 'Construction Contracts & Practices' from Currie & Brown (I) Pvt. Ltd. & also having certification for 'Project Management Professional' from PMI, USA. Seeking assignments in the overall project management of construction projects in an organization of high repute.

Enclosed herewith my updated Resume for your review, which highlights skills & accomplishments that I believe this set of capabilities with a strong sense of responsibility & willingness to improve, can be of great value to your company.

Thanks for your time & consideration.

Regards;

**Parag Joshi, PMP**
