Current Positions:

PIPING COORDINATOR

Victaulic Piping Products Private Ltd. (Mumbai)
From **Dec-2019** to **Till Date**.

Previous Positions:

PIPING DESIGNER

Lyondell Basell India Pvt. Ltd. Mumbai
(Deputed by Mauli Engineering Services)

Summary of almost 9 Years of Work Experience:

- ▶ Currently working with Revit software as piping coordinator for modelling of HVAC piping systems, mechanical equipment and piping detailed layout preparation and Bulk and Area wise BOM preparation.
- ▶ Proficient in 3d modelling of piping systems.
- ▶ Proficient in working or creating new 2d design drawings with auto cad software.
- ▶ Experienced in design of piping arrangements, isometrics and piping support arrangements in auto cad software.
- ▶ Familiar with standards, codes and guidelines required for design discipline.
- ▶ Have sound knowledge of Revit, Cadmatic, Smart Plant and AutoCAD software.
- ▶ Co-ordination work with Keppel Mumbai team from Singapore thru mails & calls.
- ▶ Proficient in working with Microsoft office – excel.

Training & Education:

- ▶ Diploma in Mechanical Engineering - Pursuing (Institute of Mechanical Engineers)
- ▶ Piping Design Engineering -Aug. 2015, Grade-A (Government Polytechnic, Mumbai)
- ▶ Diploma in Engineering Design & Drafting-Aug. 2011, Distinction (Suvidya Institute. SIT, Mumbai)
- ▶ H.S.C – Maharashtra Board-Feb. 2009, Second Class (M. L. Dahanukar College)
- ▶ S.S.C – Maharashtra Board-March 2007, Second Class (St. Anthony's High School)

Details of Professional Experience:

1) Name of Organization: **Victaulic Piping Products Private Ltd. (Mumbai)**

Duration: From **Dec-2019** to **Till Date**.

Designation: **PIPING COORDINATOR**

Job Responsibilities:

1. Prepare piping/mechanical layout drawings, isometric drawings, spool sheet drawings/cut sheets with complete BOM's (bill-of-materials), pad and equipment drawings from customer furnished drawings and vendor data in Revit (or other) design modelling software.
2. Perform checking functions of drawings and bill of materials (plans & sections, isometric's, spool sheets, B.O.M.'s) produced both in-house and by the GDC (Global Design Center) and/or other CPS office, utilizing CPS procedures and standards.
3. Conduct project review, kick-off meetings, maintain customer contact and coordinate with sales.
4. Coordinate complete project material handling from manufacturing to installation (i.e. bagging & tagging / expediting, fabrication of combination Victaulic and welded spools, field logistics, etc.)
5. Prepare and coordinate complete BEP (Basic Engineering Package), adhering to established guidelines, for transferring project to the GDC and/or other VDC office with minimal supervision.
6. For projects that have been transferred to the GDC, provide assistance and comments as required, along with attending daily coordination meetings with the GDC.
7. Update the Team Leader\ Manager on a timely basis on status of all assigned projects and assist with project close out and customer satisfaction reports.
8. Prepare Advanced Bill of Materials and assist the customer care department regarding their content and/or changes to material delivery requirements.
9. Assist Sales with presentation of VDC Drawing Quotes.
10. Assist VDC Estimating, Specification, and Software Development departments.
11. Travel to jobsites to obtain accurate field measurements and interact with customers.

2) Name of Organization: **Lyondell Basell India Pvt. Ltd. (Deputed by Mauli Engineering Services)**

Duration: From **January-2018** to **Nov-2019**

Designation: **PIPING DESIGNER**

Job Responsibilities:

1. Piping systems modelling using CADMATIC Software.
2. Preparing piping isometrics drawings.
3. Preparing piping arrangement drawings.
4. Preparing piping support arrangement drawings.
5. Drafting on P&ID drawings. Preparing MTO.
6. Projects: a) Basell RBO Site & Botlek Site-Rotterdam-The Netherlands & Wesseling Site-Germany.

3) Name of Organization: **Nass Corporation, Kingdom of Bahrain.**

Duration: From **November-2016** to **November-2017**

Designation: **PIPING DRAFTSMAN**

Job Responsibilities:

1. Extracting Spool fabrication drawings.
2. Piping general arrangement drafting.
3. Piping support arrangement drafting.

4. Preparing pipe support detail drawings.
5. MTO preparation manually in Excel for estimation.
Projects: a) Water Transmission Development Projects, Client: Bahrain Electricity & Water Authority, Reliance Industries Limited, BAPCO & GPIC.

4) Name of Organization: **Keppel Offshore & Marine Engineering (Mumbai & Singapore)**

Duration: From **March-2013** to **Sept.-2016**

Designation: **PIPING DRAFTSMAN (Deputed to Keppel Shipyard, Singapore as Piping Designer)**

Job Responsibilities:

1. Modelling of piping systems in SP3D software.
2. Piping support modelling on SP3D software.
3. Extract output from SP3D like piping isometrics, Piping and Support arrangements & MTO.
4. Drafting on piping arrangements and isometrics
5. Co-ordination with Mumbai team from Singapore thru E-mail & calls for drawing deliverables.
6. Extraction of piping layout & isometrics from Tribon.
7. Project: a) B354-357& B351-352 (Jack-Up Rigs), b) H386 (Platform Supply Vessel) & B374 (Semisubmersible Rig) Client: GroupoR, Astisor SA, British Petroleum, Sapurakencana.

5) Name of Organization: **Bharati Shipyard Limited, Mumbai**

Duration: From **October-2012** to **March-2013**

Designation: **PIPING DRAFTSMAN**

Job Responsibilities:

1. Extraction & drafting of piping arrangement with Catia-V5
2. Drafting of spool drawings.
3. Drafting in composite layout.
4. Project: a) Vessel-421 Platform Supply Vessel. Client: Great Offshore.

6) Name of Organization: **Vedam Design & Technical Consultancy Pvt. Ltd. (Mumbai)**

Duration: From **Feb-2012** to **October-2012**

Designation: **PIPING DRAFTSMAN**

Job Responsibilities:

1. Extraction & drafting of piping arrangement with Catia-V5
2. Preparation of Isometrics as per layout on AutoCAD.
3. Drafting and generation of piping arrangement drawing.
- a) Project: a) DolWin 2 Client: Dubai Dry Docks. b) V-184 Client: Godrej & Boyce Mfg. Co. Ltd.
c) Geotech Vessel Client: Godrej & Boyce Mfg. Co. Ltd.

7) Name of Organization: **Aker Power gas Pvt. Ltd. (Mumbai) Deputed by Accent Techno Solutions**

Duration: From **Sept.-2011** to **Feb.-2012**.

Designation: **PIPING DRAFTSMAN**

Job Responsibilities:

1. Preparation of isometrics from layout on AutoCAD.
2. Drafting on piping layout.
3. Preparing Bulk MTO in excel.
4. Projects: a) Name: South Yoloten Gas Field Development Client: Petrofac Engineering India Pvt. Ltd

Personal Profile:

- Name: Yogesh Prabhakar Joshi
- Date of Birth: 3rd April 1991.
- Gender/ Nationality/ Marital status: Male / Indian / Married.
- Language Fluency: English, Marathi & Hindi.
- Extra Circular Activities: Sports - Cricket, Carrom and Gym.
