Dear Sir / Madam

I have been applying to job opportunity as Architect

I have graduated from University of Bahrain since 2013 and I have architecture certificate and I work with different engineering firms as architect. However, I hold the membership in Bahraini Engineering Society and certification in 3ds Max 2013 Certified Professional & CAPM Certification Exam Preparation.

I look forward to further discuss any suitable opportunity and how I can contribute to the success of where are work.

Sincerely,

Tahani Jasim Mohamed Maki
