### About Me

**13 years professional 5\* experience as a dynamic, resourceful and skilled chef in the hospitality industry, driven to exceeding quality, service and financial objectives. Passionate about cooking I have learnt multiple cuisines working with deferent nationalities to produce only the best award-winning dishes. I strive on leading my team by example with successful results and delivering on company goals. Proven track record of managing busy kitchen operations, implementing new menus, managing food cost, staff" cost and supervising hygiene and HACCP protocols.**
