Greetings..!!

I am a skilled IT professional with CISM certification, over 20 years of total experience with 15 years of experience in Managing IT Infrastructure and IT Security portfolio. Adept in establishing IT Governance, Managing IT Risk and IT Compliance, IT Infrastructure, Network, BCP Planning & Implementation.

My long tenure in the Information Technology field has made me ready to take on the mantle of handling a leadership role and making a success of it.

I have experience in setting up and managing IT operations with Banking and Financial sector. Also have hands on experience with Infrastructure Design & Implementation for SAP with one of the India's largest Retail organization.

I am looking for an opportunity to synergize my skills with the requirements of your organization.

With Best Regards,

Hemant Surve.
