**Subject:** *APPLYING FOR:* [ELV Engineer](#)

Dear Sir,

I have 14 years of experience in ELV Fields as Projects Engineer & Manager with activity of sales, tendering, projects execution, after sales client care and now I am looking for a new challenge.

I have total 14 years experience and 11 years of them in GCC (7years in Bahrain and 4 Years in UAE) with all type of ELV Projects CCTV, Access Control System, Time & Attendance, Fire Alarm System, Gate barriers, FiberOptics and Queue Management System.

In Bahrain, I am managing all ELV projects for IGA, LMRA, Ministry of Municipality and many authorities in the government sector.

I have attached a resume for your consideration. Please take a moment to go through them to get a better idea of my credentials and experiences.

I would like to have the chance to personally talk to you regarding this amazing opportunity at your company. I hope to hear back from you regarding my application.

Best Regards,
