Dear Sir,

Please find the resume attached for the position of **Blasting and painting section head**. I'm particularly interested in this position, which relates strongly to my **nearly 25 years of rich experience in Protective Coating in Painting industry**.

As I worked as **Superintendent-Protective Coating in Structural and Mechanical Division at Ahmed Mansoor Al-A'ali Co. BSC © – Bahrain (AMA-SMD)**, I believe I meet all the essential criteria for the position. A summary of my experience and key accomplishments includes the following:

- Instrumental in determination of climatic conditions (relative humidity, dew point substrate temperature etc.) in an effective way
- Played a key role in testing & quality check of various surface such as checking of blast profiles, contamination test, wet film thickness, ambient condition, dry film thickness, holiday detection, adhesion test, so on
- Steering the successful rollout of projects with accountability of defining scope, setting timelines, analyzing requirements, prioritizing tasks, identifying dependencies risks & issues as per budgets
- A forward-thinking person with excellent communication, analytical & time management skills; exceptionally well organized with a track record that demonstrates self-motivation & creativity to achieve corporate & personal goals

I am keen to join your firm due to its great organizational culture that characterizes your firm and its employees. I am attracted to this role on account of the challenges that it offers.

Presently in Bahrain and ready to join immediately. appreciate your efforts in taking the time to review my credentials and experience. Looking forward to a positive response.

Thanking you,

Sincerely,

**MOHAN CHANDRAN**
